Thx for the quick response. Just to make sure we are on the same page.
Pl do it ASAP. Pl ask Navot on my behalf to sign the docs. I'll take it from him within two weeks when I'm back home. The co. name I'm asking for is TrueSec , in one word with two capital letters.
The bank account I prefer is the same bank account of Hyperion Ltd. unless the law or the UK regulations renders it improper.
Thx again and pl let me know if any hurdle pops up.
Warm regards
Ehud
